Three members of the public

1. Chairman's Announcements

1.1 There were no Chairman's announcements.

2. Suggestions from members of the public

2.1 Members of the public raised the following issues/concerns:

- In support of a sedum roof on the bus shelter;
- Solomon's Lane excessively muddy because of vehicle use;
- No footpath signage at the entrance to Solomon's Lane;
- Parish Council village hall fund;
- Whether a tarmac path is appropriate in the playing field.

2.2 The Chairman and members addressed these in turn:

- i) Solomon's Lane is now confirmed as a Restricted Byway, and will be managed as such by Cornwall Council; the Countryside Access Team will clear the mud and install appropriate signage. Councillor Hicks advised that, as owner of the land each side of Solomon's Lane, he has legal rights for vehicular access on top of the footpath and that his farm vehicles use the lane regularly.
- ii) The Parish Council had investigated the purchase of a container unit, for potential use as a village hall/meeting room and store, although no decision had been made. Alternatively, the village hall fund could be used to make many improvements in the village post-A30, especially now that the Parish Council would not receive any A30 funding for this.
- iii) Users of the Playing Field had requested a safe, flat path to accommodate prams/cycles/wheelchairs/joggers. The Parish Council was open to suggestions for alternative types of surface.
